

NEIGHBORHOOD WATCH INFORMATION

Coordinators, Block Captains and Others,

During the past week we have had several incidents that require residents to be aware of and be on the lookout for suspicious activity.

February 16 – Residential Burglaries at 2 residents:

20500 block of Reynolds Pky – Gun and 42” TV taken

3500 block of Cornet Ave – nothing taken

February 18 - 3500 block of Ballard Ave – nothing taken

February 21 – Stolen vehicle dumped in canal West of Bancroft at Nettleton

February 23 – Residential Burglary in 19300 block of Quarterly Pky Guns and other items taken.

The above statistics are disturbing after having over a month of little or no activity and I suspect that the number of incidents will increase as the weather warms up.

The burglary on Reynolds may be related to ATVs in the area and the one on Quarterly occurred after a report of a suspicious vehicle namely a White PU with large wheels and a black hood.

Please remind our members and residents that all suspicious activity and vehicles including ATVs on the canals need to immediately be reported to the Orange County Sheriff’s Office at the non-emergency number (407) 836-4357 and of course they need to call me at (407) 679-6644 after that call is made.

Please note that anyone who needs to join or update their NHW information, the new form is on our Wedgefield web site: Wedgefieldhomeowners.com and the info can be forwarded to me at my new FAX number 1 (800) 477-0208.

Now let us all be good neighbors and make the effort to be observant and take appropriate action.
