

## WEDGEFIELD COMMUNITY CLEAN UP DAY THANK YOU VOLUNTEERS!

### Wedgfield cleans up its neighborhoods

By Victor Alzona [thevikter@yahoo.com](mailto:thevikter@yahoo.com)

On a early Saturday morning, a group of dedicated Wedgfield residences answer the call for community service. This was volunteerism at it's simplest form, a group formed by a common goal; making something better than it was before.

These volunteers gave up 4 1/2 hours of their day to clean up months of neglected trash that have been left by others or trash that was blown from unsecured garbage cans on a windy day.

A total of 42 volunteers filled over 100 oversize large trash bags and cleaned up several streets and neighborhoods. I would like to thank Rich Mehochko for his generous donation, the Wedgfield Home Owners Association for the wonderful lunch, the Orange County Neighborhood Division for the trash bags and gloves and each of the 42 volunteers for their service and contribution to the community.

**Group photo of some of the volunteers. Thank you!**
