

## **REQUEST FOR A SPECIAL VARIANCE TO ARTICLE IV, SECTION 4.5**

Only dogs, cats and other generally recognizable household pets may be kept on the Lots.

The Association is specifically authorized to promulgate additional Rules and Regulations pertaining to this Section, and the Association is specifically authorized to grant a variance to this Section. The requests for a variance must be addressed in writing to the Association and must comply with the following guidelines and not negatively impact the surrounding area. These variances shall be revokable if at any time the variance creates a nuisance to neighbors. Compliance with these guidelines does not guarantee a variance will be granted.

### **Guidelines for Special Variances in Wedgefield Estates**

Wedgefield Homeowners Association will consider granting variances that comply with the following guidelines for the raising or keeping of animals that are not covered by the standard animal variances:

- a. No commercial on-site slaughtering;
- b. Animals must not pose a smell nuisance or noise nuisance during the OC quiet hours of 10PM to 7AM nor negatively impact the water supply;
- c. Appropriate permits are obtained from local, state, and/or federal governments;
- d. Letters of no objection are obtained from all non-vacant, neighboring property owners;
- e. A site inspection by a representative for WHOA is conducted.
- f. Any barn, paddock, stall, pen, or corral shall be setback at least fifteen (15) feet from all property lines and at least thirty (30) feet from the normal high-water elevation of any lakes or natural water bodies;
- g. Manure and compost shall not be piled or stored within fifty (50) feet of any property line in the estates nor withing thirty (30) feet of any property line in the city.
