

REQUEST FOR A GOAT OR SHEEP VARIANCE TO ARTICLE IV, SECTION 4.5

Only dogs, cats and other generally recognizable household pets may be kept on the Lots.

The Association is specifically authorized to promulgate additional Rules and Regulations pertaining to this Section, and the Association is specifically authorized to grant a variance to this Section. The requests for a variance must be addressed in writing to the Association and must comply with the following guidelines and not negatively impact the surrounding area. These variances shall be revokable if at any time the variance creates a nuisance to neighbors. Compliance with these guidelines does not guarantee a variance will be granted.

Guidelines for Granting Goats and Sheep Variances in Wedgefield Estates

Wedgefield Homeowners Association will consider granting variances that comply with the following guidelines for the raising or keeping of goats, sheep, and lambs:

- a. No commercial on-site slaughtering;
- b. Not more than eight (8) animals per acre;
- c. Any barn, paddock, stall, pen, or corral shall be setback at least fifteen (15) feet from all property lines and at least thirty (30) feet from the normal high-water elevation of any lakes or natural water bodies;
- d. Manure and compost shall not be piled or stored within fifty (50) feet of any property line;
- e. The keeping of animals for an approved 4H or FFA educational program that exceeds the limit in (b) may be considered for a special variance, which requires Board approval.
- f. Adequate shelter must be provided for all animals to get out of the weather and sun.
- g. Grazing must be on the owner's property unless advanced permission is given in writing and fencing of said property meets the minimum requirements.
